Re: Grant County Sanitary Sewer District
Bullock Pen Water District
Management and Operational Services Agreement

Dear Mr. Derouen:

By Agreement dated June 17, 2004, the Grant County Sanitary Sewer District ("GCSSD") and the Bullock Pen Water District ("BPWD") entered into an Agreement whereby BPWD would provide various Management and Operational Services for the day-to-day operation of GCSSD. In the years following that original Agreement, both Districts obtained reliable information, data and experience in order to establish fixed monthly charges. Under the previous Agreement, BPWD personnel were maintaining daily time records, worksheets and the like in order to allocate their time and services provided for and on behalf of GCSSD. In order to eliminate that time consuming and burdensome task, BPWD personnel have established monthly fixed rates to be charged to the GCSSD for providing day-to-day maintenance and operational services.

With the foregoing said, the Districts have entered into a revised Agreement which reflects the proposed method of billing GCSSD by the BPWD for Management and Operational Services. This Agreement is being submitted to the PSC for review and approval.
